# NIH CLINICAL CENTER PARKING CHANGES

5/1/2023

## INFORMATION FOR PATIENTS

**There are changes to parking at the NIH Clinical Center (CC) due to construction of the new Surgery, Radiology, and Laboratory Medicine (SRLM) wing.**

### Summary of Changes:

- Entrance to NIH campus off Old Georgetown Road at Center Drive **is closed until 2028**
- CC/Building 10 Parking Entrance **“P1” on Convent Drive is now closed**
- CC/Building 10 Parking Entrance **“P3” on Memorial Drive** is now the only entry/exit to park in the CC Parking Garage
- Patient parking remains on Level P1 inside the CC Parking Garage
- Patients and their visitors must enter through P3 and follow signs to park on Level P1

### I'm a Patient or a Patient Visitor. Where Do I Park?

- For directions to the P3 Parking Garage see the **Recommended Patient Route** on the map on the opposite side of this flyer
- **Free Valet Parking** is highly recommended to patients and their visitors
- If you are self-parking, enter the **CC Parking Garage** through **P3** which is located on Memorial Drive (see map)
- Remember to bring your parking ticket inside
- Remember to have your ticket validated at the P1 lobby. Self-parking is free to patients and their visitors.

### CC P3 Traffic Flow and Parking:

- **P3 is open for Entry Only from 5:30am-8:30am (Mon-Fri)**
- **No exiting** will be allowed out of P3 between 5:30am-8:30am (Mon-Fri)
- **Patients** entering West Drive will be directed by security to valet and/or P3 parking entrance
- Patients entering P3 will be directed to patient/visitor designated parking on the P1 Level
